New York, NY 10007

Re: *PixFusion, LLC v. Work in Progress
Fabrications, Inc*
Civil Action No. 07-10477-GBD

SO ORDERED

George B. Daniels
HON. GEORGE B. DANIELS

MAR 25 2008

Dear Judge Daniels:

We are counsel for Plaintiff PixFusion, LLC in the above referenced action.

First, we are writing to request a forty five (45) day extension of time to serve the complaint. The parties have been engaged in settlement discussions and PixFusion prefers to attempt to finish those discussions prior to moving the litigation forward. We tried to reach the defendant today to request its consent to the extension but were unable to speak with the defendant.

Second, in view of the above request, we also request a second postponement of the pre-trial conference from tomorrow, March 25, 2008, to Monday, July 9, 2008. The pre-trial conference was initially scheduled for February 27, 2008, and upon our request, was postponed till tomorrow since the complaint had not yet been served.

We will notify Defendant of these requests.

Respectfully submitted,

John L. Dauer, Jr.
John L. Dauer, Jr.
